THE

3rd. Moved by the Rev. S. S. WOOD, seconded by J. B. FORSYTH, Esq., and Resolved,

4th. Moved by Rev. E. W. SEWELL, seconded by H. S. SCOTT, Esq., and Resolved,

That this Meeting tenders an expression of its continued interest in the proceedings of the Sister Societies of the Dioceses of Nova Scotia, Toronto, Newfoundland, and Fredericton.

5th. Moved by T. TRIGGE, Esq., Treasurer of the Society, seconded by Rev. JAS. JONES, and Resolved,

That whereas several Members of this Society have left the Province to reside in England, who may nevertheless continue to feel an interest in its proceedings and prosperity, such members be requested to continue their contributions and

membership, and to recommend the cause of the Society to their families and friends; and further, that the Hon. George Pemberton be requested to receive subscriptions in England.

6th. Moved by Rev. E. C. PARKIN, seconded by Major LAWRENCE, Rifle Brigade, and Resolved,

That the thanks of this Meeting be given to His Excellency the Governor General for his kindness in consenting to become the patron of the Society, and that the Lord Bishop of the Diocese be respectfully requested to convey the same to His Excellency.

7th. Moved by Rev. J. TORRANCE, seconded by C. N. MONTIZAMBERT, and Resolved,

"The Board shall meet three times a year, alternately at Quebec and Montreal, on the Wednesday nearest to the 15th May and 10th October; and on the Friday next after the Annual Meeting. In the event of its being found necessary to hold a special meeting of the Board during the winter months of any year, such meeting shall be taken to count as one of the meetings held alternately in the two cities."

10th. Moved by Hon. A. W. GOCHRAN, Chairman of the Lay Committee, seconded by H. GOWEN, Esq., and Resolved,

That the xiii. Article of the Bye-Laws relating to the Lay Committee be altered and amended by omitting all the words in the first line and to the word "Society" inclusive in the second line, and inserting the following words "This Committee shall consist of the members appointed before the Incorporation of the Society, and of such other members, not exceeding twenty-five in the whole, as may be appointed from time to time by the Central Board, at any of their stated or special meetings."

That so much of the 4th Article of the Constitution, Rules, and Regulations of the Lay Committee as requires the presence of five members of the Committee at meetings be repealed, and that three members shall in future constitute a quorum for business at the meetings of the Committee.

That special meetings of the Lay Committee may be held by the members thereof residing in the Montreal District, for matters within the competence of the Committee arising within that District, such meetings to be called and the proceedings thereof to be conducted in the manner provided by the By-Laws of the Society and by the Constitutions, Rules, and Regulations of the Lay-Committee as now amended.

That at such meetings a Chairman shall be elected for the occasion; the meetings so held shall be deemed to be valid meetings of the Lay Committee for all matters above mentioned, and the proceedings thereof shall be subject to the sanction of the Bishop of the Diocese, and shall be reported to the Central Board at their stated meetings. But it shall not be competent for such meetings to alter, in any manner, the Constitution, Rules, and Regulations of the Lay Committee.

The Meeting was closed with the Apostolical Benediction.

GENERAL BY-LAWS

OF

THE CORPORATION

OF THE

Church Society of the Diocese of Quebec.

ARTICLE I.

THE objects of the Society shall be comprehended in the following distinct departments of Christian exertion, viz :

First—Missionary labour, including the creation of a fund towards the augmentation of the stipends of poor Clergymen—towards making a provision for those who may be incapacitated by age or infirmity, and for the widows and orphans of the Clergy.

Second—Education, Day and Sunday Schools.

Third—Assistance, where it may be necessary, to those who may be under preparation for the ministry of the Gospel.

Fourth—Circulation of the Holy Scriptures, the Book of Common Prayer, and such other Books and Tracts as shall be approved by the Central Board, hereinafter to be provided for.

Fifth—Aid towards the erection of Churches, &c., Parsonage Houses, and the management of all matters relating to the endowment of the same.

ARTICLE II.

His Excellency the Governor General, if a member of the Church of England, shall be requested to become the Patron of the Society.

ARTICLE III.

The President of the Society shall be the Lord Bishop of the Diocese, or Bishop administering the Diocese—and the Vice Presidents shall consist of the Chairmen of the different District Associations, hereinafter provided for, and such other persons as shall be nominated at the General Annual Meeting of the Society.

ARTICLE IV.

The Treasurer or Joint Treasurers, the Secretary, Auditors and other necessary Officers of the Society, shall be appointed by the Central Board. The Secretary shall be allowed a salary and travelling expenses, under the direction of the Central Board, and may appoint an Assistant Secretary, subject to the approval of the Central Board, provided that such appointment shall entail no additional burden upon the Society. The appointments of Treasurer and Secretary shall not be for any specified period, but they may be removed at the pleasure of the Central Board.

ARTICLE V.

The Treasurer or Joint Treasurers shall collect all subscriptions, donations, rents, issues, and profits, payable to the Society, for which purpose a paid Collector or Collectors, may be employed. Such monies shall be deposited in the Bank of Quebec, and Bank of Montreal, and an account shall be opened in such Banks, in the name of the Society.

No money shall be paid without the authority of a resolution of the Central Board, certified by the Secretary, and upon checks signed by the Secretary, and countersigned by the Treasurer, expressing the name of the person to whom, and the purpose for which, the money is to be paid.

The Treasurer or Treasurers shall also have the custody of all deeds, bonds, and other property of the Society, and shall submit his or their accounts at the stated periodical meetings of the Central Board.

ARTICLE VI.

The Secretary shall keep the Minutes of all the proceedings of the Society, as well as of the Central Board, and shall have the custody of, and be accountable for, the safe keeping of the same, and he shall be subject to the direction and control of the Central Board in all his duties and proceedings.

ARTICLE VII.

The Society shall meet annually on the first Wednesday in July, alternately at Montreal and Quebec, whereof not less than fifteen days notice shall be given by the Secretary, in at least one of the leading Newspapers in Quebec and Montreal. A Special Meeting of the Society may be called at any time by the President, or in his absence from the Diocese, by two of the Vice Presidents and four other members of the Society, by a written order to the Secretary, who shall notify the same in the manner hereinbefore provided in respect of the Annual Meetings. Such Special Meetings shall be held at such places as the President shall fix, if called by his order; or otherwise at the place where the next stated meeting of the Central Board is to be held.

ARTICLE VIII.

Persons subscribing 25s. per annum, or giving a contribution once for all of £12 10s. shall be capable of being elected Members of the Corporation, (in the latter case for life) at any meeting of the Society or of the Central Board.

Contributors may limit and direct any portion, not exceeding one half of their contributions, to be applied to special objects within the designs and purposes of the Society.

Lists of the persons so subscribing or contributing, shall be furnished by the Treasurers of the District Associations, or by the Treasurer or Treasurers of the Society where there shall be no District Association, to the Secretary of the Society, to be laid before the next meeting of the Society or of the Central Board at which an election may take place.

ARTICLE IX.

Of the Central Board.

There shall be a Central Board for the management of the general business of the Society, consisting of the President, the Vice Presidents, and the other Officers of the Society, and a Committee of not less than twelve Clergymen, and not less than twelve Laymen, who shall be chosen annually at the General Meeting of the Society, from among the Members of the Corporation.

The Board shall meet three times a year, alternately at Quebec and Montreal, on the Wednesday nearest to the 15th May, and 10th October, and on the Friday next after the Annual Meeting. In the event of its being found necessary to hold a special meeting of the Board during the winter months, such meeting shall be taken to count as one of the Meetings held alternately between the two cities. The first Meeting thereof shall be held on the 23d day of October, in the present year, at Quebec. Special Meetings may be called by the President, or, in his absence from the Diocese, by two of the Vice Presidents, and four Members of the Board: and not less than seven Members present at any meeting shall form a quorum. When a sufficient number of members to form a quorum shall not assemble on the regular day of the meeting, the members present shall not assemble on the regular day of the meeting, the members present shall have power to adjourn to another day, and so on *toties quoties*, until a quorum shall be found; and business shall and may then be proceeded in.

At all meetings of the Central Board the Chairman, in case of an equality of votes, shall have a double or casting vote.

The Central Board shall have authority to make such rules as may be necessary for the Government of its own affairs, provided that none of them be contrary to, or inconsistent with, the spirit of the Constitution or By-Laws of the Society.

ARTICLE X.

Of District Associations.

In connexion and correspondence with the Central Board, there shall be formed District Associations (except in the cities of Quebec and Montreal, and the Banlieues thereof) to be composed of the Clergy, and all other Members of the Society resident within the bounds of such Districts,—a contribution of 5s. per annum, constituting membership of such District Associations. The District Associations (except as hereinbefore excepted) shall continue as heretofore settled by the Central Board of the Society, before its Incorporation, until otherwise hereafter determined by the Central Board. The senior Clergyman holding a Pastoral Charge within such bounds shall be, *ex officio*, Chairman of such Association—they may have a Secretary and Treasurer, and shall meet at such places as they may themselves determine; at one of which meetings the officers shall be appointed and a report of the proceedings of the year read. The District Associations shall have authority to make rules for the government of their own affairs, provided such rules be not contrary to, or inconsistent with, the Constitution or By-Laws of the Society. They shall report annually to the Central Board, at least one month before the Annual General Meeting of the Society, (and at such other times as the Secretary, on behalf of the Board, shall require) a statement of their proceeding, and a detailed account of all the monies received and expended by them during the year.

It is nevertheless provided that the Chairmen of the District Associations of Quebec and Montreal heretofore existing, shall continue to be Vice Presidents of the Society during the current year until the Annual Meeting in July next.

ARTICLE XI.

Of the Sub-Committees of the Society.

For the more effectually carrying out the designs of this Society, the Clergymen and Church Wardens in every Parish and Missionary Station, and the Ministers and Wardens of every Chapelry within the Diocese, shall be a Sub-Committee of the Society, in correspondence with the District Association, within whose bounds such Parish or Missionary Station is situated, or in the Cities of Quebec and Montreal, with the Central Board, through the Secretary of the Society. This Committee shall meet as often, and at such periods, as they themselves shall decide to be most convenient, inviting the co-operation of all the Parishioners, in their deliberations and designs. They shall collect subscriptions and donations from the members of the Church, in such manner as they shall deem most effective, and endeavour, by every means in their power, to augment the resources of the Society. One sermon at least shall be preached during the year within the limits of each Parish, Station, or Chapelry, on such Sunday as the Bishop shall appoint, in favour of some one or more of the objects of the Society; and a collection shall then be taken up in aid thereof, the proceeds of which shall forthwith be remitted to the Treasurer or Treasurers of the Society; any Parish, Station, or Chapelry, in which such sermon shall not have been preached, shall not be considered entitled to any grant or benefit from the Society, until a sermon shall have been so preached.

All other monies raised by such Sub-Committees, shall be remitted to the Treasurer of the District Association; or to the Treasurer or Treasurers of the Society where such monies shall have been raised within the cities and Banlieues of Quebec and Montreal.

ARTICLE XII.

One-half of all the monies paid into the hands of the Treasurers of the District Associations, respectively, and not specially appropriated by the contributors, shall be transmitted to the Treasurer of the Society, to be at the disposal of the Central Board, and the remaining half of all such collections shall, when required, be expended within the Parish or District in which they have been made, for such objects only as are specified in the Constitution of this Society—the allotment to be made by the Committee of the District Association. All monies remaining unappropriated at the General Annual meeting of the District Association, shall be forthwith transmitted to the Treasurer or Treasurers of the Society to be at the disposal of the Central Board; it being understood that nothing contained in this Article shall interfere with any existing arrangement or agreement between any Clergyman and his flock.

ARTICLE XIII.

Of the Lay Committee of the Church Society.

This Committee shall consist of the Members appointed before the Incorporation of the Society and of such other members, not exceeding twenty-five in the whole, as may be appointed from time to time by the Central Board at any of their stated or special meetings; and shall be governed by the Constitution, Rules and regulations, adopted and in force before that period, until the same shall be altered by the Committee or by the Society at the General Meeting.

The proceedings of the Lay Committee shall be subject to the sanction of the Bishop of the Diocese. The clerical and other members of the Central Board may attend at any of the General Meetings of the Committee, and may propose and discuss matters therein, but shall have no vote; and the Committee shall report their proceedings to the Central Board at their stated meetings. The objects of this Committee shall be:

First—The placing the clergymen, now resident and doing duty in the Province, upon a just footing as regards the sufficiency and permanency of their incomes.

Secondly—The providing for a permanent and adequate support of an increased number of Clergymen, so that, with the least possible delay, the members of the Church in every portion of the Diocese, may have the means of access to a Church within a practicable distance.

Thirdly—The building in every place where it may be required a Church of stone or brick, upon a well considered plan, as to dimensions, external form, and internal arrangement, keeping in view the probability of its requiring enlargement.

Fourthly—The building, in a good situation, convenient to the Church, a comfortable Parsonage of brick or stone, upon an uniform plan, which should be carefully considered, with reference to size and internal arrangement, and should admit of additions being made, with the sanction of the Bishop.

Fifthly—The insuring such Churches or Parsonages against losses by fire.

Sixthly—The procuring an adequate and permanent support for all the Institutions, authorities, and functionaries, suitable and appertaining to the Establishment of the Church of England in this Diocese.

Seventhly—The investing all life subscriptions (unless so far as the application of these may be otherwise limited by the contributors) in a permanent and accumulating Fund, of which the interest only shall be applied to the general purposes of the Society.

Eighthly—The encouraging the formation of a local Endowment Fund, at every station or place having a Church or Clergyman, by special contributions, or by setting apart a portion of the Pew rents, to form an accumulating fund until the net income shall in each case amount to £50 per annum; for the more effectual promotion of which object the Society will engage, whenever such fund shall be formed and shall amount to £100, invested in Bank stock, or other public securities, to add thereto an amount not exceeding £100; provided always, that such investment shall stand in the name of the President of the Society.

ARTICLE XIV.

All meetings of the Society and of the Committees shall be opened and closed with the Prayers used by the two Societies in England, adapted to our situation, under the direction of the Bishop.

No alteration or amendment in the Constitution or By Laws of the Society shall be made, unless such alteration or amendment shall first be communicated to the Secretary, to be submitted for examination and consideration to a Special Meeting of the Society, at least one month before a General Annual Meeting, and adopted at such General Annual Meeting. Provided that the rejection or adoption of any such alteration or amendment, by such Special Meeting, shall in no wise bind or restrain the General Annual Meeting, in considering and disposing of the same.

ARTICLE XV.

Whereas some members of the Church, who are not unmindful of the great Spiritual wants of their own neighbourhood, still feel constrained, in pious gratitude for the blessings they enjoy, to allot something, however small, from the means with which a Gracious Providence has blessed them, towards the spread of the Glorious Gospel among the nations which still sit in darkness; the Society will gladly receive and forward to the Society for the Propagation of the Gospel, the Church Missionary Society, or the London Society for Promoting Christianity among the Jews, whatever sums may be given for the conversion and instruction of the Heathen or the Jews.

Prayer to be used at all Meetings of the Society,

AND OF ITS SEVERAL ASSOCIATIONS.

Prevent us, O Lord, in all our doings, with thy most Gracious favour, and further us with thy continual help ; that in all our works, begun, continued, and ended in Thee, we may glorify Thy Holy Name, and finally, by thy mercy, obtain everlasting life ; through Jesus Christ our Lord. *Amen.*

O merciful God, who hast made all men, and hatest nothing that Thou hast made, nor wouldst the death of a sinner, but rather that he should be converted and live ; Have mercy upon all Jews, Turks, Infidels, and Hereticks, and take from them all ignorance, hardness of heart, and contempt of Thy Word ; and so fetch them home, blessed Lord, to thy flock, that they may be saved among the remnant of the true Israelites, and be one fold under one Shepherd. Prosper, O Lord, the labors of those Societies of the Church in the land of our Fathers, which Thou hast deigned to use in the promotion of this object, and which have nourished the Church in the Colonies : and bless in like manner with Thy Holy Spirit and Providential succour, the Society in whose cause we are now met, and the undertakings which we have now in hand. " Prosper Thou the work of our hands upon us ; O prosper Thou our handy work," for the sake, and through the merits of the same Thy Son Jesus Christ our Lord, who liveth and reigneth with Thee and the Holy Ghost, one God, world without end. *Amen.*

Our Father, which art in Heaven, Hallowed be thy name. Thy Kingdom come. Thy will be done in earth, As it is in Heaven. Give us this day our daily bread. And Forgive us our trespasses, As we forgive them that trespass against us. And lead us not into temptation : But deliver us from evil : For thine is the kingdom, The power and the glory, For ever and ever. *Amen.*

ENGAGED as is the Church Society, whose fifth anniversary we are this day met to celebrate, in helping to cultivate this portion of the Lord's vineyard, and to further the great interests of the Church in the Diocese, we may gratefully regard the Divine promise, "I will water it every moment; lest any hurt it, I will keep it night and day;" and take encouragement, diligently to proceed in our work and labour of love, knowing that it will not be in vain in the Lord. The Lord, to whom we look for every good and perfect gift, without whom nothing is strong, nothing is holy, is Himself faithfulness and truth. Hath He said and shall He not do it? The declarations of His mind concerning his Church, shall be accomplished, and the promises of His Grace will be wholly fulfilled. With very much wanting for the establishment of the Church in the Diocese, the Society may well pursue its onward course, resting on His arm, and confiding in His promises, in whose service, we humbly hope, the Society is righteously engaged.

The past year has not been unmarked by tokens of the Divine favour; and we trust that the present meeting and the ensuing year, will be blessed of Him, "who is rich unto all that call upon Him."

The amount contributed to the District and Parochial Branches, during the past year, so far as they have reported, is £326 2 6½.

The particulars of this amount, with the sums collected after sermons on behalf of the Widows' and Orphans' Fund, and on Quinquagesima Sunday for the general purposes of the Society, will follow.

The whole account stands thus—

In addition to which amount, we have to state, as on former occasions, that for Local Church purposes, contemplated by the Society, the sum of £1092 8s. 9d. has been contributed in different parts of the Diocese, and wholly appropriated by the contributors. This is

only *a part* of what is given for local Church purposes in the Diocese; but we can state only what is reported to us. This amount (it may be explained) we do not class with what is contributed to the Society, because of the second clause of the 8th Article of the General By-Laws, which admits of only one half of what is subscribed, being applied by the subscriber to any special object. But these sums being given for objects, which the Society designs to promote, it is considered right that they should be referred to in the Annual Report.

Investments.

During the year an additional sum from the General fund of the Society, of £465 10s. has been invested in Quebec and Montreal Bank Stock—making the whole sum now invested in these securities for the general objects of the Society, £1050.* A further sum of £225 has been invested in Montreal Bank Stock, for the clergy Widows and Orphans' fund. And also £63 5s. 7d. in the Provident and Savings Bank. These amounts consist of the collections made in the several churches and missionary stations of the Diocese after sermons preached in accordance with a standing rule of the Central Board, and by virtue of a circular letter issued by the Lord Bishop, together with a life subscription of £12 10s., so applied by the donor. The whole sum now vested, on behalf of widows and orphans is £565 15s. 7d. The Nicolet Parochial endowment fund now amounts to £250 in Quebec Bank Stock, with a small additional sum in hand to the credit of the fund, of £3 19s. 6d.

* In the last year's Report, at page 16, the sum of £700 was wrongly printed for £800.

It should also be remarked, that there is a standing grant of £250 per annum, to the Lord Bishop, for the maintenance of two travelling Missionaries: one to labour in the District of Montreal, the other in that of Quebec. But owing to the difficulty experienced by his Lordship in finding suitable men for those arduous but deeply inter-

esting fields of labour, only a small part of that amount will have been drawn during the past year.

Patronage.

We have much satisfaction in stating that His Excellency the Earl of Elgin and Kincardine, the Governor General, has consented to be Patron of the Society.

Widows' and Orphans' (Clergy) Fund.

This interesting and important object of the Society has engaged the earnest attention of the Central Board during the past year. After maturely considering certain plans which had been proposed, of Life Insurance, and of other profitable modes for investment of the sums that shall be raised for this purpose ; and finding the whole subject surrounded with many difficulties, arising from the condition of the diocese and the small resources of the clergy, inadequate to allow them to pay a premium of Insurance, or even to admit of their giving a special Annual Subscription for that object, it has been decided, for the present, to invest the amount received in Montreal Bank Stock, and to employ the interest accruing therefrom towards the relief of existing cases, which call for aid.

Education.

The subject of Education, in Day and Sunday Schools, has also received attention during the past year. A Sub-Committee of the Board was appointed in October, to enquire into the state of Education in the Diocese, and to suggest in what way the Society could (to use the words of the 4th Resolution of the last Annual Meeting) provide for the suitable Education of the poorer members of the church. As a preliminary measure, the Committee proposed a series of questions, which were transmitted to the clergy of the Diocese by His Lordship the Bishop, to elicit from them the actual state of education in both Day and Sunday Schools in their res-

The information received is, on the whole, not so full or definite as could have been desired, but still much that is valuable has been obtained ; by means of which it is hoped that something may be done, conducive to the educational interests and the further religious instruction of the youth of the Diocese.

Travelling Missionaries.

In July last, the Rev. A. W. Mountain was appointed by the Bishop Travelling Missionary for the District of Quebec, and proceeded to take charge of the Quarantine Station at Grosse Isle. Besides performing the important ministerial duties which devolved on him at the Island, he occasionally travelled to settlements in the vicinity, devoid of the regular ministrations of the Church, where he officiated. His journal is in the office of the Society. He retired in October last, his services being otherwise required by the Bishop. In May, His Lordship appointed the Rev. C. Forest Travelling Missionary, who proceeded to Grosse Isle. And when we consider the scenes of misery that have been there witnessed during this summer, we cannot but be thankful that the Society has been privileged to supply a little help, by its Missionary, to alleviate the sorrows of some of the afflicted, to tell of a Saviour's love, and direct the prayer of faith of many a dying stranger, and to perform the last rite of christian burial, where, but for his presence, the dust must have been returned to the earth, without a solemn word to soothe the heart and raise the soul to God, of the surviving and sorrowing friend.

But the ministerial duties required at Grosse Isle exceeding altogether the power of any one clergyman to fulfil, other clergymen from the city and neighbourhood of Quebec have proceeded there, from time to time, to take part in the them.

The District of Montreal has been, we regret to say, throughout

the year, without a Travelling Missionary. But it is with much satisfaction that we announce, that there is a probability of the settlement, at no distant day, of two Travelling Missionaries in that District. One of the congregations in Montreal has exemplarily charged itself with providing wholly for the second Missionary, to visit the numerous destitute parts of that section of the Diocese.

By-Laws.

It is proposed that certain alterations shall be made in the constitution of the Lay Committee, with a view of facilitating its operations, and rendering it more effective towards the fulfilment of the important duties with which it is charged. In the 13th Article of the General By-Laws may be seen, in detail, their functions. They are entrusted mainly with the management of the temporalities of the Church, both for the time present, and prospectively. With a view of enabling the Lay Committee the better to carry out the important purposes of its formation, the Lord Bishop, at the instance of the Central Board, propounded to the Clergy of the Diocese a series of questions, by circular, in February last, with the object of putting the Committee in possession of the actual state of the Parishes and Missions in the Diocese, and of shewing what is needed for the more complete establishment of the Church. Although we have, in this case also, to express our regret that these enquiries have not been more fully answered, and a greater amount of information obtained, the returns will yet furnish the Committee with some valuable Church Statistics; a copy of which, when duly classified, will be preserved in a tabular form, in the office of the Society, for facility of reference by any member.

The lands belonging to the Society are under the management of the Lay Committee, who, with the valuable assistance of the Sub Committees of the Society, in the vicinities in which the lands are severally situated, will, it is trusted, be enabled to render them available for the interests of the Church. A list and description of the lands will be kept in the Society's Office.

Assistant Secretary and Travelling Agent.

It will have been perceived, that an alteration has taken place in the office of Assistant Secretary. The Rev. D. B. Parnter, who had held the office almost from the commencement of the Society, and who had kindly fulfilled its duties, so far as his other important avocations admitted,—for which he received but a small allowance from the Society,—having taken his departure for England in October last, it was considered desirable, owing to the increased and increasing duties of the office, to engage the services of a gentleman, who could devote his whole time and attention to the fulfilment of its various duties, and to the promotion of the interests of the Society, in every way in his power. The appointment of Lieut. Lloyd, R. N., our present able and zealous Assistant Secretary, was then made, in conformity with the provisions contained in the 11th Article of the By-Laws, and approved by the Central Board, who granted an increased allowance for his stipend. With the duties of Assistant Secretary are combined those of Travelling Agent for the Society. In the latter capacity, he will, if it please God, usually attend at the annual meetings of the District Associations, and occasionally at the stated meetings of the District Committees; and will be found ready at all times to lend his aid at Parochial Meetings, when it is thought his presence, statements, and efforts, can materially promote the interests of the Society.. In calling, however, for his services, it will be doubtless kindly remembered by the clergy and other friends of the Society what are his duties, in the office in Montreal, and also as charged with the care and direction of the Book Depository.

* Since this Report was read at the Annual Meeting, it has pleased God to deprive the Society of the services of the Secretary and Assistant Secretary, both of whom fell victims to their attendance on the sick and dying Emigrants. The Rev. A. W. Mountain is now the Secretary of the Society, and resides at Quebec. The room formerly occupied as an office in Montreal has been closed (November, 1847.)

Depository.

The Depository is, for the present, at the office of the Society, No. 57, Champ-de-Mars Street, Montreal, under the direction of the Assistant Secretary. There is a good assortment of Common Prayer Books, and a large number of Tracts. The miscellaneous books now on hand are chiefly designed for specimens.

The Clergy wanting, for their own private Libraries, standard Theological works, or Parochial or Sunday School lending Libraries, will find some facilities rendered them, on visiting the Depository.*

It ought to be mentioned, in connection with the Depository, that in a private letter received from the Secretary of the Church Missionary Society, addressed to our Assistant Secretary, he states—
 “Any arrangement that you may wish to make, for obtaining a regular supply of our publications, the Secretaries here will be most ready to carry out.”

District Associations.

During the past year, an alteration has been made in the distribution of the Diocese into Districts.

Much inconvenience was found in the working of some of the District Branches, owing to their territorial extent, and the consequent distance at which some of the Clergy resided from the usual places of the meetings of the Committees. To remedy this, three of the Districts have each been divided into two parts, thus making in all eleven Districts, which are as follow :—

The Upper Ottawa D. A.	St. Francis D. A.
“ Lower Ottawa D. A.	Three Rivers D. A.
Beauharnois D. A.	Port Neuf D. A.
Mascouche D. A.	Megantic D. A.
Richelieu D. A.	Gaspé D. A.
Missisquoi D. A.	

* The Depository has been removed (November, 1847) to the establishment of Mrs. Walton, Great St. James Street, Montreal.

It is trusted that this sub-division of some of the more extended Districts will facilitate them in governing the Associations strictly in conformity with the provisions of the General By-Laws of the Society. When the systematic course therein prescribed shall be uniformly adopted in all the Districts, it is believed that it will be found more convenient, and conducive to the advancement and prosperity of the Society and its Branches. That this may be soon attained, the subject is again commended to the early and kind attention of the officers of the District Associations.

During the past year, St. Peter's Chapel, which had been destroyed by the first great Fire in 1845, has been rebuilt on a larger scale. And contracts are under consideration for the rebuilding of St. Matthew's or the Free Chapel, at the Burying Ground, which was destroyed by the second great Fire.

The chief part of the expense of restoring to the parish these chapels will fall upon the members of the Church in the City.

The Treasurer at Quebec received, in March last, the sum of £100 currency, from the hands of the Lord Bishop of the Diocese, being the amount of a donation to the Society, from the Revd. J. Leeds (since deceased) formerly Missionary of the Society for the Propagation of the Gospel in Foreign Parts, at the Côteau du Lac.*

of Trinity Chapel have taken upon themselves the maintenance of a Travelling Missionary, in addition to Annual Subscriptions for the general objects of the Society. In thus devising liberal things, we may trust they will stand, and be prospered from on High.

The Minister, in officially communicating this information, says—
 “We have lodged in the Savings Bank, ready to be paid, when required, into the hands of your Treasurer, £135, being £125 for one year’s stipend for the Missionary, and £10 given as a donation towards the purchase of a horse for his use. I must add that one kind friend has given a sleigh, and another a new saddle and bridle.

He adds, “The sum of £12 has been placed in my hands by some friends of Israel’s descendants, to be paid to the London Society for Promoting Christianity among the Jews, for the benefit of the Institution at Liverpool. Also, £1 for the Church Missionary Society, and £1 for the Society for the Propagation of the Gospel in Foreign Parts.”

No Missionary having yet been appointed by the Bishop, to derive his maintenance from this source, from the difficulty of finding a suitable clergyman to undertake it, the first year’s stipend has been placed, as mentioned in the above extract, at the suggestion of the Treasurer of the Church Society, that it may receive interest.

The sums paid to our Treasurer, on behalf of certain Home Societies, have been received, and will be remitted, in conformity with the 15th Article of the General By-Laws of this Society.

It will be perceived that no collection was made in Christ Church on Quinquagesima Sunday, for the Society, as on former years. This arose from the large amount which the congregation has been engaged in paying to the Minister of St. Anne’s Chapel, connected with the Parish Church, and which was partly met by a collection made in the Church, soon after Quinquagesima Sunday.* On this account, with the sanction of the Bishop, the Quinquagesima Ser-

The sermon at St. Thomas' was also dispensed with, on account of the financial difficulties of the Chapel. But this Chapel also has received aid from the Clergy Reserve Fund, and will, therefore, it is hoped, exhibit no blank in the Report of next year.

Richelieu District Association.

The Annual Meeting of this Association took place at St. Johns in February. The sermon was preached by the Rev. J. P. White. The Annual report was read at the meeting, which presented a favourable account of the affairs of the Association, of the estimation in which the Church Society is held in the Richelieu District, and of the plans devised by the Committee, to render the Association more effective and prosperous. The following amounts have been contributed, within the limits of this Association, during the past year:

This statement shows a satisfactory increase over the receipts of the previous year, and, from the tenor of some of the returns from the Parishes and Missions of the District, we augur a further increase for the year now commencing.

In the Mission of Lacolle, the additional sum of £20 has been raised, during the year, toward the completion of the Church.

From Clarenceville, the Clergyman writes, "there is a very perceptible increase in the interest which is felt for the prosperity of the Church Society." He attributes this feeling, in some measure, to a larger number of Annual reports having been circulated, and more information communicated concerning it.

The sum of £100 has been raised in this Mission, for the repairs of the two Churches.

But little progress has been made during the year towards the completion of the Russelltown new Church, except in the furnishing of materials. The Missionary finds increasing difficulties in raising additional funds from the residents in the vicinity, the greater part being in poor circumstances: he is therefore compelled to look around for further aid, to procure the completion of this much needed Church.

The Committee of the Association have made grants during the past year to the three Churches in course of erection in the District, to the amount of £37 10, together with small sums for other Church purposes. And the Treasurer has remitted to the Treasurer of the Society the sum of £35 0 10.

From St. Armand, East, the Clergyman writes, "One half of the annual subscriptions are disposed of by the donors in aid of rebuilding our Church, which is now old, and must be replaced by a new one, in the course of two or three years." This will be perceived to be in conformity with the 8th Art. of the General By-laws.

In Stanbridge a Glebe has been purchased for the Church, chiefly from funds derived from collections made in England by the Clergyman, during a recent visit at home. In the course of this visit, undertaken with the sanction of his Lordship the Bishop, the Rev. J Jones succeeded in obtaining an amount sufficient to erect and endow a Church in Farnham West, in addition to what has been expended in the purchase of the Glebe for Stanbridge.

In the Mission of Shefford, the sum of £33 has been raised during the year, and expended on West Shefford Church. The Clergyman has also received the sum of £18, stg., collected in England by the friends of a family resident in Shefford, towards the completion of the Church at Waterloo.

At Dunham, the new Church referred to in the last Annual Report, is progressing, and is expected to be ready for use in the Autumn. It is a substantial stone structure, 60ft. by 40ft., with a basement story. It is estimated that the cost will be nearly £700. An additional sum of £100 has been raised during the past year for this important work.

At Granby the subscription for the past year was £10 5s., appropriated by the contributors for local Church purposes.

The Church at Rougemont is progressing favorably. The cost of what has been done the last winter, and this spring (the Clergyman writes) cannot be considered less than £100.

It is proposed to erect a Church at St. Hyacinthe, which place is served by the Rev. T. Johnson, of Abbotsford, periodically for Divine Service. One acre of land has been given by the Seigneur for a site. The new Church at West Farnham is also advancing satisfactorily.

A new Church is about being erected at Pointe Levi, for which the sum of £250 has been raised. And a further sum of £50 has been contributed for another local purpose. Notwithstanding these liberal sums for local objects, it is pleasing to remark, that the Annual Subscription lists in the Pointe Levi Mission are greater than we have had hitherto to record.

In Upper Ireland half of the subscriptions have been applied to local Church purposes.

In the Mission of St. Giles, the sum of £19 9s. 7½d. has been raised and applied by the donors to local Church purposes. At St. Margarets, in this Mission, where it is proposed to erect a Church, materials have been prepared for the building, and are on the site. Also at Cumberland Mills, in the same Mission, materials are on the spot for building the Church, and arrangements have been made for commencing the work forthwith. The Church is to be a neat stone building.

At Leeds there is a subscription amounting to £17 6s. 1½d., which is limited by the subscribers to local Church purposes.

We have now brought our statement for the past year to a close, and on a review of what has been done, although there are some evidences of a continued inattention to the claims of the Society on the part of certain Parishes and Missions in the Diocese, and of a diminished interest in the great and good work before us, on the part of others, yet it is believed that the account now rendered will prove on the whole satisfactory. By a comparison of the income of the Society and the District Branches now reported, with the increase for the year ending July 1846, it will be seen that there is an increase this year of £211 17 5.

But there is one feature in this report, which may have been observed, as it proceeded—the absence of any allusion to grants of lands toward the endowment of Parishes. From the comparatively small value of land at the present time, and the abundant evidence we possess of great ultimate advantages resulting to the Church from the possession of landed estate, it is a matter both of surprise and regret that we have to record so few donations of land. Were the subject fully explained, and the prospective benefits to the

Church made known to those of our people who are proprietors of land, that by the gift of a portion of land, of but little present value to them, they may be perpetuating the ministrations of the Church, and laying up in store blessings for generations to come, they would not surely withhold the gift. How small a thing it doubtless appeared in the eyes of our forefathers, to set apart a little, perhaps forest, land for the services of the Church; but for how many ages has that small gift caused the Church-going Bell to sound, and the hamlet to smile when a Sabbath appeared. We would fain urge upon all, to emulate in this particular, in this young land of our adoption, the deeds of our fathers. Did many contribute but a few acres, the aggregate might amount to an endowment, and under God, would prove a perpetual blessing to the land.

But we would conclude, as we began, by commending to the grateful consideration of all who long to be instrumental in advancing the Redeemer's cause on earth, that there are promises—Divine promises, rich and abundant,—that cannot fail, and that may well encourage activity and energy in the sacred cause. May the Spirit from on High be poured out upon our Church and land! then shall we not be barren or unfruitful in the work of the Lord. May He smile upon the labours of this Society, then shall we see an abundant increase.
